

# DR. KALIFA OLIVER

EXPERIENCE COACH & EXECUTIVE ADVISOR

## About Dr. Oliver

Dr. Kalifa Oliver is a global expert in employee experience, executive coaching, and people-centered leadership. Known for blending data with empathy, she helps organizations transform culture and EVP, guiding leaders to think differently and lead boldly.

## Services

### L.E.A.D. Better 360

Equips professionals to assess and develop leaders through a focus on strategy, behaviors, and employee experience.

### StratEX Assessment

Helps leaders evaluate their organization's employee experience (EX) readiness and align EX strategy with business goals, talent outcomes, and EVP for long-term performance.

## Why Choose Dr. Oliver?

Because she doesn't just talk about change—she builds it. With deep expertise in employee experience, data-driven strategy, and human-centered leadership, Dr. Kalifa helps organizations create cultures that perform and people want to be part of. Insightful, relatable, and results-focused—she's the partner leaders need for lasting impact.

### KO BrandLAB

Helps professionals build bold, authentic personal brands that amplify their voice, elevate their impact, and unlock new opportunities.

### TeamOS: Aligned By Design

Helps leaders and teams build trust, align on purpose, and collaborate effectively using Dr. Oliver's proven G.R.O.W. framework. Perfect for new, evolving, or resetting teams.
